**RIDGID**

**Large Diameter Ratcheting Plastic Pipe & Tubing Cutter**

- Advanced blade design combined with the ratcheting mechanism work together to reduce the amount of hand force needed to cut through hard plastic material
- Quick-change blade pin enables the user to change blades in a matter of seconds without tools, saving valuable time, increasing productivity, assuring there will be no lost clips or misplaced screws
- Used to easily cut plastic pipe & tubing such as PVC, CPVC, PEX, polyethylene, polybutylene & rubber hose

(30088)

*Features*

- Durable aluminum construction for heavy duty use
- Ergonomic grips on bottom handle are spaced at 1/2" increments to act as a quick pipe measuring scale
- Easy turn-thumb latch for reliable storage
- X-CEL® quick change blade
- LARGE 2-3/8" (63 mm) O.D. capacity
- Burrless cutting operation provides a square cut

*Sale Price*

**RIDGID**

**5-Gallon Pro Pack Portable Wet/Dry Vac**

- 5.0 peak HP motor provides powerful performance comparable to larger size wet/dry vacs
- Used for easy transporting "tool box shape" design has self-contained storage located under hinged covers; for hose, 20' power cord & nozzles
- Storage brackets keep 2 extension wands stored on board & conveniently accessible
- Large cushion grip handle folds flat allowing 15.5 lb. vac to be stacked for portability
- Tug-A-Long® Locking Hose locks the expandable 2' to 7' hose to the vac so it won't pull loose during use
- Scroll Noise Reduction® is a patented feature that provides quiet operation by controlling the flow of air through the vac
- 3-layer fine dust filter captures small particles such as dry wall dust

*Features*

- Pro Pack includes; dust filter, 2 extension wands, 1-7/8" flexible Tug-A-Long® Locking Hose, utility nozzle, crevice tool, dusting brush & owner's manual
- Other specifications; drum size-4.5 gal., Voltage-120, CFM-107, air watts-187 & replacement filters VF3500
